GRADUATION APPLICATION INSTRUCTIONS

Getting Started with DMACC's Graduation Application

1. All students must apply for graduation to receive their DMACC diploma(s). The graduation application is also where students indicate if they would like to participate in DMACC's Commencement Ceremony. March 1 is an important deadline for students wanting to participate in Commencement, as our deadline for ordering gowns and including the student's name in the Program occurs shortly after March 1.

2. Each term there are deadlines to apply for graduation:

   a. Fall Graduates: November 1

   b. Spring Graduates: March 1

   c. Summer Graduates who will participate in Commencement: March 1

   d. Summer Graduates: August 1

3. Students who are receiving more than one degree, diploma, and/or certificate need to include each program in their graduation application.

4. There is no fee for graduation.
