

ONLINE DIETARY MANAGER CERTIFICATION PROGRAM

DES MOINES AREA COMMUNITY COLLEGE

If you'd like to work in the healthcare foodservice industry, DMACC's Dietary Manager Specialist Certificate may be of interest to you.

THIS NONCREDIT ONLINE PROGRAM PROVIDES:

- >> Only online program offered in Iowa
- >> Eligible to sit for the CDM Credentialing Exam, www.CBDMonline.org, to become a Certified Dietary Manager (CDM) after completion of the program and ANFP Professional Membership opportunity
- >> Course is taught by Registered Dietitian Nutritionists and Licensed Dietitians
- >> Opportunities to network and learn from others in the healthcare foodservice industry

TUITION AND FEES: \$650 plus books

Two course starts each year: January and June

IMPORTANT NOTE: All new students planning to complete the Dietary Manager Specialist Certificate Program should contact Program Coordinator, Barbara Thomsen, CDM CFPP/RAC/QCP at blthomsen@dmacc.edu

This 6-Month program includes 3 Modules: 1. Managing Food Sanitation, Safety and Production 2. Food Service Operations, Personnel and Communications and 3. Nutrition Fundamentals and Medical Nutritional Therapy

The Dietary Manager program is approved by the Association of Nutrition & Foodservice Professionals, www.ANFPOnline.org.

For registration information, please call 800-362-2127 ext. 6800 (toll-free) or 515-964-6800 any weekday from 9 a.m. to 4 p.m.

PROVIDES ROBUST CAREER OPPORTUNITIES

Dietary Managers:

- >> Work in foodservice departments, hospitals, and assisted living and healthcare facilities
- >> Manage operations including foodservice personnel, food/kitchen supplies, and the routine nutritional aspects
- >> Provide quality nutritional care services with the assistance of a consultant dietitian

According to the U.S. Bureau of Labor Statistics, jobs for dietitians, nutritionists, and dietary service managers are projected to grow 16% by 2024, **much faster than the average** for all occupations.

WHY CHOOSE DMACC?

DMACC's certificate program provides you with the latest information and skills you need to enter this in-demand field or update your skills efficiently and effectively.

You can:

- >> Complete our program in just 6 months online
- >> Get live help to prep for the national exam needed to become a Certified Dietary Manager (CDM)
- >> New online program provides flexibility for working students
- >> Use Association of Nutrition Service Food Professionals (ANFP) curriculum
- >> Prepare students to sit for CDM Exam
- >> Feature experienced instructors who have worked in the field
