A. Registration Portal

1. Mike/Dan – Will be trying out the new system, and will be piloting it. Update on NOSS portal & associated fee. 2.9% is the fee for online transactions plus a .30 fee. Put that cost right into whatever we charge for the conference. No administrative rights. We need to work with them for anything we need to do administratively. We will get records of all transactions. The site can be linked to our own site. Pros: Helps to centralize as much as possible and give another way to introduce or give exposure to the National organization as well.

C. Conference Session Proposal Form--
