1. Date of Application \_\_\_\_\_

2. Targeted Semester:

Fall \_\_\_\_\_ (year)

Spring \_\_\_\_\_ (year)

3. Learning Community Style:

_____ Linked Course	_____ Coordinated Studies
<p>This consists of 2 or more discrete courses containing curricular coherence and integrative content, strategies or methodologies for which students co-register. Generally, faculty works together to coordinate syllabi and/or assignments, but continue to individually teach their own course.</p>	<p>This is a multidisciplinary program of study involving a cohort of students enrolled in 2,3,4 or 5 courses and a team of faculty from various disciplines. It is taught in a variety of formats (lectures, labs, workshops and seminars) with all faculty attending all parts of the program. The faculty involved determines the scheduling and thematic concerns for the entire coordinated studies offering.</p>
